

**WEEKLY SHIPMENTS OF BAKKEN CRUDE OIL EXPECTED THROUGH
OKLAHOMA**

To date four railroads (Kansas City Southern, Union Pacific, BNSF, Stillwater Central) have submitted information to OHMERC. These submittals contain general information about weekly shipments of 1,000,000 gallons or more of Bakken crude oil through the state.

The information submitted includes the names of counties through which the trains carrying Bakken crude will pass as well as the number of trains expected on a weekly basis as described in the chart below. The information submitted by the railroads does not contain any specific information concerning passage or arrival dates, times or specific locations.

This information has been provided to first responders in all the counties listed below.
