4. Spill Notifications – Spill reported involving appx. 9000 lbs. of ammonia which OKC Fire Dept. responded to.
5. Old Business –
  - 5.1. Annual LEPC By-Law review – By Law review was postponed until the next meeting.
6. Treasurer's Report – Report accomplished by Dwight Dobbins and passed out to members by Jim Warram.
7. New Business –
  - 7.1. David Barnes brought, and passed out copies of the 2006 Emergency Management Conference registration form and schedule of events.
  - 7.2. David Barnes brought a letter, provided by the State Emergency Management Office, discussing LEPC Planning Grants. The letter describes the ability for all LEPC's to obtain a HAZMAT Planning Grant of at least \$2000 and the requirements the LEPC must meet to obtain such a grant.
  - 7.3. David Barnes updated everyone on the progress of the new Joint/Regional Emergency Operations Center saying they were very close to being operational. The City is currently operating from the new location and the County is very close to making the move. The facility is located at 4600 Martin Luther King.
8. Program – Major Richard Kelly with the OKC Fire Department provided a briefing on Current and up-coming state response capabilities regarding an All Hazards response approach.
  - 8.1 This briefing is being provided to various agencies throughout the State of Oklahoma such as the FBI, Local Police and Fire and local government and response agencies.
  - 8.2 The briefing is designed to educate communities on the response capabilities available to them in support of any response that overwhelms their local capabilities.
  - 8.3 Response capabilities will be coming on line at various times; however, the goal is to be fully equipped and operational by January 2007.
